The Western New York Sustainable Business Roundtable has a vision to grow and support environmentally and economically resilient communities that prioritize the well-being of current and future generations. With the Earn from the Sun program, Western New York residents can access the benefits of solar energy at no cost when they participate in the Earn from the Sun community solar program.

As a participant in the Earn from the Sun program, you will:

- Save up to 10% on your monthly electricity bill
- Support local community solar farms for home & business use
- Become a participant in the New York State's Clean Energy movement
- Contribute to local renewable energy job creation
- Support the WNY Sustainable Business Roundtable

How is community solar different from rooftop solar?

- No need to invest in a solar energy system for your property
- Participants receive the financial benefits directly on their utility bill
- No fees or additional costs to subscribe to the program
